HRSA Nursing Scholarships

The US Health Resources and Service Administration (HRSA) has scholarship assistance program for nursing students in the United States. This scholarship provides payment for tuition, required fees, books and a monthly stipend of around $1000 to $1200 in exchange for 2 years of service at any US health care facility with a critical shortage of nurses.

This program can be applied by nursing students who are U.S. citizens or nationals and currently accepted or enrolled as a full-time or part-time student in any accredited nursing school in a professional registered nurse program (baccalaureate, graduate, associate degree, or diploma).

Nursing students who are admitted in LPN programs, bridge programs, self-paced study programs, dual degree programs, and RN to BSN programs are not eligible to apply for HRSA Nursing Scholarships. Likewise, preference will be given to nursing students who are accepted as full-time students in undergraduate nursing programs and those applicants with a zero Expected Family Contribution (EFC) on the Free Application for Federal Student Assistance (FAFSA).

The Nursing Scholarship Program application for the 2008-2009 academic year will be available by Spring of 2008. Below are the resources for US Health Resources and Service Administration (HRSA) Scholarship Program:

Nursing Scholarship For Indiana High School Graduates

Graduates of Indiana high schools as well as the graduates of Franklin Community High School and graduates of Johnson County high schools who wish to become nurses in the near future may apply for the Peeples Foundation Trust Scholarship.

The Peeples Foundation Trust Scholarship is a program sponsored by Johnson County Community Foundation. This scholarship program awards each scholar a financial assistance amounting to $4000 that can be used to pay their tuition fees and other school related expenses except for room and board.

The Peeples Foundation Trust Scholarship is generally granted for one year. However, the scholarship committee may grant eligible scholars to continue their scholarships for up to 8 semesters. The criteria for determining the scholarship recipients include the applicants' academic performance, financial needs, recommendations and the results of a personal interview with the scholarship committee.

Aside from high school graduates who want to pursue nursing degree programs in Indiana College or university, this scholarship is also open to those who plan to attend dietetics, industrial arts or technology education. The last day of application submission is on March 1.

AORN Nursing Scholarship

The Association of PeriOperative Registered Nurses (AORN) has scholarship program for their members as well as currently enrolled nursing students who need some funding to continue their undergraduate and graduate nursing education particularly in the field of peri-operative nursing. Eligible applicants are those students who already in the advance stage of their nursing programs, hence, this scholarship can not be applied by high school graduates.

The AORN Nursing Scholarship awards scholarships ranging from $1,000 to $5,000 which may vary annually. The scholars' selection is partly based on financial needs. However, academic excellence, leadership, involvement in AORN on a local or national level as well as the professional goals of the applicant is equally important considerations in this scholarship.

The usual deadline of application for this scholarship is in the month of May. For more information about the AORN scholarships, please visit the following links:
